Darktail opended his eyes to find himself somewhere far from Echoclan.

*Where am I? Did I die again? What will Mossleaf think when she doesn't find me back in my nest and away from Echoclan?* Darktail thought his blueish green eyes wide with worry.

Darktail's ears twitched as he heard sounds behind him he spun around quickly to find a Black tom Emerging from the bushes.

"Who are you, and where am I?" Darktail Demanded.

"I am Shadestar, Don't you remember me..... Son.....?"

Darktail's Fur arched up and he let it rise. "IM NOT UR SON MY FATHER DIED BEFORE I WAS BORN! AND HE WAS A GREAT TOM FROM THE STORIES I HEARD."

"Ha! those stories were lies."

"l-lies...."

"Duh, Mousebrain. Can't believe my own son is such a mousebrain anyways the reason your here is because I've been watching you."

"why?"

"I realize you have a mate and realize you like her even though she is a MEDICINE CAT!" He said flicking his tail in silence at Darktail. "Don't you want to be great? Don't you want every cat to say your name and fear you....."

"NO, What I want is a Peaceful life with Mossleaf and possibly have kits with her!" Darktail yowled.

Shadestar narrowed his eyes and lashed out.

# Chapter 1; An uneasy start

[image]

Darktail awoke from his dream with every warrior in the warriors den starring at him.

"SERIOIUSLY NO CAT CAN GET ANY SLEEP WITH YOUR YOWLING, DARKTAIL!"

"ARE YOU A WARRIOR OR A TWOLEG CAUSE YOU YOWL LIKE A TWOLEG!"

"GO SLEEP SOMEWHERE ELSE!"

Most of them yowled the others just stared while staying silent.

".....It doesn't matter." Darktail growled. And Padded out of the den the others muttering under their breath.

Darktail padded to Mossleaf's den and went inside.

"Darktail? What's wrong?" She asked her green eyes wide as she saw him walk in.

Darktail realized he still had his neck fur sticking up. "Do I belong here?"

"Of course you do, Look at all the good things you do for Echoclan."

He sighed "I dunno, Anyways I had this dream last night where I met my father an h-he attacked me"

Mossleaf hesitated, "Did he really hurt you?"

"I-I dunno? to be honest I just woke up with Lots of angry cats staring at me..."

She sighed and shook her head. "Ok let me look."

Mossleaf examined Darktail's pelt and Found a scar on his tail.

"ill go get you some marigold and cobweb."

"Ok thanks." He meowed licking her ear as she passed him.

# Chapter 2; What Have I done!?!?!

[image]

"Welcome again son."

Darktail hissed. "Why have you brought me here Shadestar?"

"Because don't you want your future kits impressed by you."

"I said Possibly and, Mossleaf might not want kits....."

"Have you asked her?"

"Wouldn't that be a strange question to ask a she-cat." Darktail retorted.

"Meh, Don't think of the question to much. Anyways Don't you want to impress them ounce they are born and have their eyes open and you are their father figure."

"Yeah, I guess so."

"Ok then stay with me and train to fight for your future kits...."

"F-fine."

"Good now." Shadestar turned around and growled "come out."

A small Scarred Silver tom Walked out from the undergrouth he seemed to be shaking like crazy.

"This is Wolftail you and Wolftail will fight to the death, Ready? GO!"

Wolftail raced at Darktail his Teeth bared in a snarl.

Darktail Growled And Lashed out at Wolftail His Gaze narrowed.

Wolftail hissed, "Let me win Runt, I have more training than you."

Darktail growled, "At Least I have a reason to live for."

Wolftail yowled and lunged for Darktails Neck clearly not trying to give mercy.

Darktail Rolled away as quick as he could and Scratched at Wolftail's Underbelly.

Wolftail yowled and scratched at Darktails Muzzle. "WHY ARE YOU FIGHTING LIKE A ROUGE?!?!?!"

"its called battle practice." Darktail said rising to his paws.

Wolftail arched his back and let out a hiss.

"Finnish him." Shadestar meowed from the shadows.

"No, no cat deserves to die, They deserve to live."

"I SAID FINNISH HIM!"

"NO!"

Wolftail lunged at Darktail again clearly trying to strike for his neck.

Darktail rolled away and bit down hard on his tail.

Wolftail yowled in rage.

Darktail raced towards him and lunged for his neck he bit down hard. "I'm sorry..." He whispered through a mouthful of fur.

Wolftail soon went limp and Darktail spat out the bloody fur he had

in his mouth.

What have I done? He asked himself.

# Chapter 3; Lying to my Mate....

[image]

Darktail Heathed a sigh as he felt his wounds hurt him baddly.

"Darktail how did you get those wounds?" Silverlight asked padding up to him. She sat beside him and Gazed at him through narrowed blue eyes. "You haven't gone night hunting again, Dont forget Mossleaf still worries about you and you don't want to break her heart a second time by dying again."

"i know, Silverlight." He murmured Gazing at the deputy. He shifted his paws, "But, no I didnt."

"Then where did you get those wounds."

"......Needle in my beding."

She sighed and shook he head, "whatever anyways you have a hunting patrol with Pinkfur and Frostbite later please go get your wounds checked."

"I will."

"Good." She meowed smiling.

Darktail padded out and stretched the wounds on his back stung but he ignored them.

He padded towards Mossleaf's den and went inside.

Mossleaf turned around and narrowed her eyes at him "WHERE DID THE SCARS COME FROM?"

Darktail realized she was busy with Firescar. *Poor old Firescar, Lost his eyesight last night.* Darktail thought, "Im here because i need these wounds checked and I got them from a Braken bush."

"A bracken bush?....Just what? where did the strong tough Darktail

i knew go?"

"Hey, I didnt see it i was busy following a mouse trail."

"oh ok." She meowed flicking her tail on his nose. "Fine, ill go get you stuff."

"thanks."

# Chapter 4; Hunting Patrol

[image]

Darktail, Frostbite, and Pinkfur ran through the undergrouth Darktail sniffed the air and followed a Rabbit trail, Darktail sinked low in the grass and saw the rabbit. He flicked his ears and Pounced.

"HEY THAT WAS MY MOTHERS!" A yound tortishell kit came bounding out along with a speckled white and grey she-cat. they both seemed pretty hungry.

"here you can have it." Darktail meowed pushing the rabbit towards them.

"Really!" The tortishell kit squeaked.

"Honey, we dont take food from strangers."

"Oh c'mon Snow its food." Honey Squeaked pawing the freshly killed rabbit.

Snow heathed a sigh, "Alright."

Darktail nodded kindly and padded away. *How many cats are in the forest starving to death? How many have kits that they cant feed?*

Darktail whisked his tail and padded back to where Pinkfur and Frostbite were.

"Bad luck?" Pinkfur meowed seeing that he didnt catch anything.

"Wait a minute." Frostbite growled he walked towards Darktail and Sniffed him. "YOU SMELL LIKE RABBIT!"

"I-I."

"THIS WILL BE REPORTED DARKTAIL!" Frost bite growled Baring his fangs, Making darktail flinch.

"leave him alone Frostbite."

"What was that?" He said Turning towards Pinkfur.

"LEAVE HIM ALONE!"

"Im the leader of the patrol so I say what we do and this will be reported." He growled, "Lead the way imma make sure this guy doesnt escape....."

# Chapter 5; Dawnstars den....

[image]

Frostbite kept growling at Darktails haunches as they walked towards camp.

When they walked through the tunnel the whole clan stared at them wondering what was going on.

Darktail could see Mossleaf's Green eyes Burning in his but he looked down he didnt want her to see him he wished no one could.

Dawnstar leaped out of her den and whisked her tail back and forth, "Whats with all this noise?"

Pinkfur opened her jaw but Frostbite answerd before she could say anything "Can we talk alone? Just You and me and....." He mutterd through gritted teeth, "Darktail."

Dawnstar flickerd her ears, "Sure I guess....."

Mossleaf stepped forward but Pinkfur stopped her, "Don't its bad."

Darktail looked at Mossleaf and saw confusion in her green eyes.

Darktail followed Frostbite and Dawnstar into Dawnstar's den and sat down when Dawnstar told them to.

Frostbite narrowed his eyes and growled, "Darktail thinks its ok to break the warrior code and not bring back prey for the elders and queens and kits."

Darktail hesitated. *How did he know?*

"I saw him give a rabbit to a rouge!"  Frostbite growled through gritted teeth, "Surely we dont have room for warriors like that."

Dawnstar flicked her tail, "Is this true Darktail?"

Darktail glanced at his paws he felt as though alot of pressure was on himself. "Yes....."

Dawnstar stared at him "why?"

"They were hungry."

"They can hunt for themselves." Frostbite retorted.

Dawnstar flicked her tail in a silencing way at Frostbite.

"leave now you to I need to think about this."

Darktail flinched, and padded out.

Mossleaf ran up to him "DARKTAIL WHAT HAPPEND?"

Darktail shifted his paws and murmured, "Can I have poppy seeds, I dont think i'll have an easy sleep with every at in the warriors den glaring at me..."

"You can sleep in my den if you want." She meowed twinning her tail with his.

"ok."

# Chapter 6; No please!

[image]

Darktail raced through the bushes as Shadestar followed him.

"GET BACK HERE!" Shadestar yowled.

Darktail zigzagged through the undergrouth his tail streaming out behind him, *Why is this happening to me???*

"Darktail!!!!!!"

Darktail bunched his haunches and began to climb a tree. *I need to get out of here.*

"WHY DID YOU GIVE THEM THAT RABBIT THAT LOWERD YOUR REPUTATION!"

Darktail began to leap from tree to tree. His eyes set on what was ahead of him knowing he shouldn't look back.

After a while Darktail thought he lost Shadestar.

He leaped down the tree and padded into a bush and curled up. And thought of what just Happened.

"He's chasing me because I gave them the rabbit? The whole clan doesn't like me because I did that as well. Do I belong anywhere?" Darktail Murmured to himself sitting up and stretching his muscles. "This also has to be the Darkforest, I heard of it when I was in Starclan. Such a sorrowful place." Darktail murmured shaking his head.

"I KNOW YOUR HERE SOMEWHERE DARKTAIL!" A voice yowled, Darktail didnt know who it was but Darktail guessed that Shadestar got the whole Darkforest to look for him.

Darktail raced out of the bush not thinking.

"AHA THERE YOU ARE!" A Brown tom said as he leaped at Darktail.

Darktail Yowled and rolled away.

The brown tom Lunged at Darktail and Pinned him to the ground.

"Say goodbye, Darktail!"

"NO PLEASE!"

"Please doesnt work here Mouse brain!" The tom sliced his claws at Darktails Nose then put them close to his neck.

# Chapter 7; Clan Hatred

[image]

"DARKTAIL! DARKTAIL WAKE UP!"

Darktail Blinked open his eyes to find himself in the medicine cat den Mossleaf standing by him.

"Darktail you were yowling and looked like you were fighting! You even have a wound on your nose! Please tell me what's wrong."

"If I tell you can you please not tell the clan?"

"Of course."

Darktail sighed and licked his underbelly embaressedly. "My Father, Shadestar is in the dark forest and is trying to train me and fight me there."

Mossleaf's eyes widen "THE DARK FOREST!?" SHE SCREECHED " DARKTAIL, UNDER THE WORD OF STARCLAN YOU NEED TO STOP OTHERWISE YOU WILL GO THERE AND NOT STARCLAN WHEN YOU....." She dropped the last word Glancing at the ground.

"I know, I know But how can i tell an Evil leader just No."

"Sometimes you have to let your aggresive side come out and show that you are Darktail a Strong, Brave, and Clever Echoclan warrior."

"I guess your right."

She smiled faintly.

"im going to go hunting." He meowed twinning his tail with her's before padding out.

"Darktail." Dawnstar's meow echoed across the clearing.

"....." Darktail frowned realizing that the clan probably still hatted him from yesterday when he gave  that rabbit to the loner family.

"Darktail c'mon." Dawnstar meowed again. Glaring at him.

He pushed the thought away and padded towards his leader, "Yeaaaah?"

Dawnstar flicked her ears, "Because of what you did you have to do the elders den. Since there are no apprentices it makes since to treat you like one until you learn a lesson."

Darktail frowned, "Yes Dawnstar...."

"Good."

What happend to Dawnstar? She usually acted so kind and never gave any cat punishments. Did the whole world just drop on his sholders.

# Chapter 8; Elders den

[image]

Darktail padded past other cats as they staed at them and murmured under their breath about him.

He raced to the medicine cat den staring at the ground trying to fight back from yowling at everyone.

"Darktail?" Mossleaf said turning around as he enterd. She gazed at him widely "Whats wrong you look sad.."

"Have to do the elder's den because I gave a loner a rabbit because she had a kit and they were both starving." Darktail explained he looked away from her gaze, "Do you have moss and Mouse bile?"

"yes but, let me help you."

"but-"

"Im not busy today let me help you Darktail, If some cat needs me they can find me."

"Alright."

They padded side by side to the elder's den.

This didnt feel like a punishement anymore to Darktail it felt like time to spend with Mossleaf.

Firescar pricked his ears "Hello young  ones. what are you doing here?"

"We came to change your bedding and check you for fleas and ticks." Darktail meowed.

"Alright,  I think I have a flea on my tail, Exactly the spot I cant reach these days."

# Chapter 9; Over hearing Battle plans.

[image]

Darktail raced through the Darkforest it's been 2 moons since he told Mossleaf where he goes in his sleep but, he was happy some cat knew.

He sneaked through the bushes to this area full of cats of all colors and sizes. They had scars all over.

Shadestar was on a rock saying stuff.

Darktail sneaked closer putting his paws down as light as a feather.

"TOMMOROW NIGHT WE WILL ATTACK THE CLANS AND WE WILL RULE AS WELL AS OUR FOLLOWERS WHO SHALL HELP US SUCSEED WHEN THEY SEE US FIGHTING. SINCE THEY BELIVE THEY DONT BELONG." Shadestar's yowl went through the clearing.

Everycat yowled in agreement.

*I need to warn Mossleaf and everyone in echoclan, But how will they believe me after what ive been through.*

# Chapter 10; Help!

[image]

Darktail awoke next to Mossleaf to find her still asleep.

"Mossleaf please wake up, Something bad's going to happen."

"mmhm?" she meowed getting up slowly.

"The Darkforest is attacking tonight!"

"What!" She screeched

"how do we warn the clan."

"Darktail....."

"what?"

"Havent you realized you Mouse-brain Im going to have kits, What do we do about that as well."

*Mouse-brain was right,* Darktail thought He haddent realized that.

"We need to tell Dawnstar." Mossleaf meowed getting up, "And that means telling her your in the Darkforest every time you sleep."

"...fine" Darktail meowed.

Darktail followed Mossleaf to Dawnstars den.

"Dawnstar." Mossleaf meowed through the vine curtain

"Come in Mossleaf." Dawnstar responded.

Darktail followed Mossleaf inside and watched his leader narrow her eyes.

"So..?" She asked

" Darktail has come with important news that will save every cats life."

"Important or Mouse-brained?"

Mossleaf flinched "Dawnstar what happend to you?"

"Mossleaf, The whole clan is very hard to control at the moment so right now im having a difficult time im sorry anyways go on."

Darktail took in a deep breath and explained everything to Dawnstar.

"I see, Well we'll have to fight but, We have to tell the other clans this."

"Even Darkclan?" Darktail murmured shivering

"No, Darkclan sounds like it wont be involved. Inspecially since that's where Shadestar was born."

"Oh..." Darktail murmured.

# Chapter 11; The battle and Kits!?!?!?

[image]

Darktail looked at Mossleaf as she fell to the ground.

"MOSSLEAF!"

"THE KITS Darktail THEY ARE COMING!"

Darktail Hesitated, "Ok ill get Pinkfur." Darktail raced to the warriors den

"PINKFUR!" Darktail yowled

"What?" She asked stepping out.

"MOSSLEAFS KITS!"

"WHAT ALREADY?" She screeched as she raced to the medicine cat den.

*Good thing she knew about herbs before joining Echoclan.* Darktail thought while following her.

He grabbed a stick and carried it to Mossleaf.

"Here" He said through gritted teeth laying the stick beside her.

She blinked up at him gratefully and bit down hard on it as a spasm hit her.

Pinkfur raced towards them herbs in her jaws. "Ok Help me bring her to the Nursery then we will be fine from there."

"Are y-"

"I know what im doing just do it!"

"ok.."

He helped bring Mossleaf to the nursery then padded out. *She will be fine, I just need to do this battle and then I can see her and My kits.*

He raced to the area where every cat was gatherd.

"There will be 4 patrols one going from the hills, One going from Oceanclan, one going from Darkclan, and the other coming from echoclan to Fourtrees where we belive they will go first to deside on who to attack first for their battle plans. Got it?"

The clan yowled in agreement and joined patrols.

"Darktail, Join My patrol." Dawnstar meowed

"Ok." He said padding towards her, "which boundrey will we be on?"

"Echoclan, I know you might want to since Mossleaf is giving birth to your kits."

"Yeah."

"Dont worry Pinkfur will protet her."

"I guess so."

# Chapter 12; Time to Fight

[image]

The patrols ran through the undergrouth spliting up when Dawnstar told them to.

Darktail Sinked low in the grass following his patrol, This was it Fight to the death to protect the clan he was born from.

They Sneaked to Fourtrees and saw the Dark forest cats there, they clearly werent ready for what was going to happen to them.

All at the same time The Patrols sprang out at the Darkforest cats.

Darktail looked around, He could see Oceanclan cats fighting as well. *We might win this!*

Something heavy  hit Darktail and sent him rolling in the grass.

"Didn't know you would be so weak." Shadestar meowed Pinning Darktail down.

Darktail thought fast, "IM NOT!" He yowled he made himself sink lower in the grass to where he could escape Shadestar's grip and he Lunged for him.

Shadestar Yowled in surprise and dodged.

Darktail Scratched  at his Flanks.

Shadestar Growled and Scratched at Darktails Nose reopening his wound that was there.

They both Growled and crouched low and Pounced at the same time hitting each other and rolling on top one another through the battling cats.

Darktail Pinned Shadestar to the ground and scratched at his neck.

Shadestar Screeched in pain.

"I wish I wasn't your son You make me Annoyed." Darktail said Releasing  Shadestar as Shadestar went limp.

# Chapter 13; After the battle

[image]

Darktail raced through the entrance tunnel And into the nursery.

Pinkfur jumped in surprise, "Darktail you Mouse-brain I thought you were a Dark forest warrior!"

"The battle just ended is Mossleaf ok!?!??!"

"Yes she is and she had one kit a tom go and see for yourself."

Darktail padded past her and saw Mossleaf curled up Protectivly around  something, She looked up as he walked near her "Darktail, Your ok!"

"of course i am" He meowed nuzzling her.

She uncurled and showed one kit a Bombay kit.

"He is Handsome." Darktail said sitting beside her lookign down at their kit.

"I know he is, He needs a name do you have an ideas?"

"Spirekit."

"Spirekit is a lovely name." She meowed nuzzling him her gaze seemed exhausted.

Darktail curled up next to her "you should rest."

She nodded and put her head on her paws and fell asleep.

**(A/N) - Hey guys, Darktail was based around a crush I had**

**when I was 11-12 and I've changed Mossleaf's love life so this is just going to stay on this account because I thought it would be a funny reminder to me, lol**
